

Mission Statement:

To promote and encourage development of and public interest in agriculture and ranching through the promotion of public Reining Horse Shows and related activities within a family oriented atmosphere; to provide a support system enabling our youth to compete to a national level; and to encourage the breeding of desirable reining horses while preserving the western tradition of the stock horse.

EASTERN PLAINS REINING HORSE ASSOCIATION

“To rein a horse is not only to guide him but to control his every movement...”

The Eastern Plains Reining Horse Association (EPRHA) is a non-profit NRHA affiliate with a passion for promoting and encouraging the public interest in the sport of Reining through shows, clinics, youth scholarships and events, and a variety of fund raising projects. We endeavor to maintain a family oriented, wholesome atmosphere while supporting our members and community in their pursuit of personal goals as horsemen.

It is our goal to provide incentives for all levels from youth to primetime, rookie through open by offering both educational events as well as attractive awards and payouts. Through our collective professional expertise, we are able to provide an educational forum regarding current local and national issues of importance to our membership.

Membership Privileges:

EPRHA offers both family and individual memberships with an incentive rate for our youth. We encourage family members of all disciplines to become involved in our programs to instill sportsmanship, compassion, trust and respect.

- **Professional Expertise:** (trainer’s instruction, seminars, clinics and critiques). Within our association professionals contribute their time and expertise to teach reining skills, showmanship, and every day horse health.
- **Access to Latigo Trails Arena:** This quality facility boasts meeting rooms, café, and both an indoor and outdoor arena.
- **Affiliate Championships:** (regional qualification). Qualifiers in each division level compete in NRHA Regional Championships vying to represent our region at the National American Affiliate Championship (NAAC) in Oklahoma City, OK, during the NRHA Futurity.
- **Family Oriented Activities:** Fundraising events, clinics and seminars, community support projects, schooling shows, BBQ’s, etc.
- **Year-End Awards:** Members compete throughout the season for year-end high-point awards and honors in each division level
- **Youth Programs:** Various activities and college scholarships are offered to further educate our youth in the horse industry and cultivate leadership skills.

Sponsorship:

Our sponsors ultimately hold our future. Without their generous support the opportunities currently made available to the community would not be possible. We offer several levels of sponsorship

ranging from our prestigious “Official Sponsor” of **EPRHA** to the convenience of an individual “Event” or “Award” sponsorship.

Meetings:

Our General Membership meetings are held on the first Wednesday of each month at 6:30 pm (shared potluck) at the **Latigo Trails Heritage Centre**, 13710 Hallelujah Trail in Elbert, CO 80106.

Come and experience one of the fastest growing equine sports worldwide. All levels and backgrounds are welcome. Please visit our website at EPRHA.ORG.
